FACT SHEET FOR 2026-27 ENTRY

香港樹仁大學

HONG KONG SHUE YAN UNIVERSITY

Master of Social Sciences in Adversity and Trauma Psychology

Hong Kong Shue Yan University | Department of Counselling and Psychology

This programme is designed to equip students with advanced knowledge and practical skills to understand, assess, and support individuals and communities facing adversity and trauma. It prepares graduates for professional roles in clinical, community, and educational settings, fostering resilience and promoting mental wellness. The programme seeks motivated individuals with a strong interest in contributing to the field of trauma psychology.
