Section 2

To the Referee

You have been asked to give your own opinion of the personal, professional and academic qualities of the above-named applicant. Please scale the applicant realistically on the following qualities, and report any other characteristics, both positive and negative, which reflect their present capacity to undertake advanced study and work in play therapy. (Please note that a carefully prepared discriminatory report is liable to receive more weight than a uniformly positive one.)

1. Please indicate the basis on which you have formed these opinions of the applicant (including type of interactions and time period).

2. Please circle the appropriate number. If you do not know enough about their capacity in a particular area, please circle NK. There is an opportunity to qualify any answers below.

	Excellent	Above Average	Average	Below Average	Poor	Not Known
